

Woods Hole Film Festival Sponsorship

For 35 years the Woods Hole Film festival has been a trusted cultural home for emerging and independent filmmakers as well as film lovers on Cape Cod. Sponsors are instrumental in this mission.

The signature 8-day-week Festival each summer brings together hundreds of filmmakers and screenwriters with thousands of movie-goers. We enjoy films on the big screen, discuss powerful documentaries and engaging narratives, connect with science and storytelling, and delight in music-laden films. We converse during Q&A sessions, panels, workshops, masterclasses, and parties!

Over 100 films screen at the Festival, many of which are premieres.

Celebrate cinema at the water's edge with us this summer!

July 25-August 1, 2026

Signature Events and Awards

The Festival kicks off the last Saturday in July and after the films, filmmakers and attendees gather at the Opening Night reception! Parties and live music are featured almost every night at local landmarks, and before we know it, Saturday comes around again for the big bash of the Closing Party.

The Awards Ceremony celebrates emerging filmmakers, local filmmakers, and the best in independent film with over 25 juried and audience award categories.
